SWAP Highlights This Month

More Card Catalogs!

The rumors are true! **Memorial Library** is removing the last of their card catalogs and sending them all to SWAP. We are in the final stages of the cleanout and will be receiving the last batch of 112 catalogs over the next few weeks. If you want a piece of Wisconsin history, or just want something to organize your crafting supplies, come by SWAP any Friday from 8:00 a.m. - 4:30 p.m. or the second Saturday of the month from 8:00 a.m. - 2:00 p.m. and pick one up. We will have a limited quantity of 6-10 per week. Get them while we have them!

The card catalogs have not been maintained since 1986 when digitization of their contents began. The project to remove all the catalogs actually started last year, when a preliminary batch of over 100 made their way to SWAP and quickly sold out. SWAP expects this batch to go quickly as well. "We've been contacted by a couple dozen people already looking to pick one up for many reasons. We hope we'll have enough," Tom Bessey, a SWAP Warehouse Manager said. "It's always exciting to be a part of University history in dealing with items like these."
