

Variations for Displaying Prices in the Search Results Window

The Shop & Compare search function offers a convenient way to search for and add items to the shopping cart.

For many supplier-hosted catalogs:

- Price is immediately returned with the item.
- “Add to Cart” button available in the search window without leaving the Shop@UW site.

MP **LB Medium Capsules 454g** from Grainger, Inc. **116.82 USD**
Part Number 6VFZ7 EA
Manufacturer Info 113002021 - (MP BIOMEDICAL) **Add to Cart** ▼
add favorite | compare

When a price is not immediately displayed for items found using the Search & Compare, users will notice one of two different system display messages where the price is usually displayed:

1. Getting Live Price

- The price is obtained from the supplier’s punch-out web site.
- “Getting LivePrice” text changes to the actual price.
